SUBJECT: Notes on the Senior Seminar

1. Nominations are in: 35. One from DCI area. TSB will meet 6 August to select 20 participants.

2. DCI has approved:

a. A "Day on the Hill." It is to be worked out with Maury. Maury says it would be premature to work on specifics prior to mid-September.

b. Use of ~~any~~ five newsmen (Bartlett, Rowan, Sidey, Harsch and Lisagor. (We are still interested in Max Ways of Fortune but do not have security approval--if he is okayed by Security, we would go through channels to the Director again for his nod on Ways.

c. On invitations, DCI states it is no use to invite Kissinger. He will invite Gerard Smith (ACDA) and Joe Sisco (Ass't Secretary of State for NESAs) if we wish, but discouraged us. We will probably try for substitutes for latter two as well as Kissinger.

3. On high-level Agency speakers, we are currently considering the following:

a. Col. White for opening on 19 September.

b. Duckett for ABM intelligence case study on 1 October and for Technical Intelligence Problems of the Future sometime during the period 15-24 November.

c. Proctor on Intelligence Support to the Policy-Maker during the period 15-24 November.

d. Coffey on Support Services in the 1970s during 15-24 November.

e. Possibly Cord Meyer on Covert Action in a Democratic Society on about 20 October.

All presentations but that of Col. White [] would be at Chamber of Commerce or at Headquarters. Some would be early evening to minimize disruption to regular office duties. 25X1

We realize we must go through channels with proper invitations.

4. We are aware of how to send up to DDS a schedule with activities, list of speakers, etc. for review.

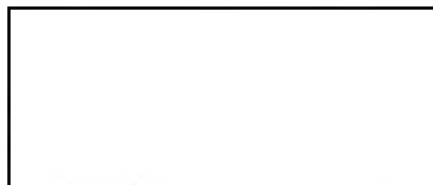

5. We are aware we must get DDS approval to take any non-CIA person to [] We are currently thinking of trying to do this with: 25X1

a. Dr. [] - OMS Consultant 25X1

b. Mr. [] 25X1

c. Possibly Mr. [] - a management consultant from New York for whom we do not even have security approval as yet. 25X1

d. Possibly Mr. Beck, the new Director of Training in the CSC, former Deputy Director of FEI; believe he has previously visited [] 25X1
